

# DINE 'N DONATE FAQs

## WHAT WILL MY ORGANIZATION'S DONATION CONSIST OF?

Your organization's donation will consist of 15% of net sales on food & soft beverage (excludes alcohol) from your supporters! Please be aware that this only pertains to the receipts **submitted** while dining in and picking up or use of the code for online orders, not the total sales of the restaurant for that day.

## HOW WILL MY BILL BE COUNTED TOWARD THE DINE 'N DONATE?

After dining in or picking up carryout, submit your **itemized** receipt via the QR code on your promotional flyer. When ordering online, use the coupon code provided on the flyer during checkout. You do not need to submit your receipt via the QR code if ordering online.

## WHEN CAN I HAVE A DINE 'N DONATE?

Dine 'n Donates can be held anytime Monday-Thursday! We do not currently book Dine 'n Donates on Thursdays during March due to March Madness, and during the month of December during the holiday season. Your Dine 'n Donate will take place during the location's business hours, open to close.

## HOW FAR IN ADVANCE SHOULD I BOOK A DINE 'N DONATE?

We recommend booking your Dine 'n Donate four weeks in advance of your preferred date. This allows your organization time to spread the word to their supporters and mark it on their calendar!

## I NEED TO EDIT MY FLYER OR RESCHEDULE MY EVENT, WHAT DO I DO?

Reach out to the Marketing Team! We are more than happy to make any changes need to the flyer or to reschedule your Dine 'n Donate to another date.

## CAN THE DINE 'N DONATE BE PROMOTED AT THE RUSTY BUCKET?

All promotions of the Dine 'n Donate must be off-premises of all Rusty Bucket Locations. We are excited to host your organization, but want to ensure that all guests who dine with us, apart from the organization, feel welcomed and comfortable.

## CAN A CATERING ORDER BE COUNTED TOWARD DINE 'N DONATE?

Yes! You can order catering over the phone or online. When ordering online, use the code listed on the flyer at checkout. When ordering over the phone, mention or show the flyer to an associate, and they will walk you through how to submit your itemized receipt.

## CAN A DELIVERY ORDER BE COUNTED TOWARD DINE 'N DONATE?

At this time, we are unable to include sales from third-party delivery orders toward Dine 'n Donate.
